Delay in release of audited financial statements

Shareholders are advised of a delay in the release of VCP's audited financial statements for the period ended 28 February 2021 ("**February AFS**").

VCP is the holding company of a number of subsidiaries, all of which are required to undergo individual audits.

The audit of one such subsidiary, whose audit is being undertaken by an external auditor and not the Company's auditors, has not been completed as yet.

Hence, until such time that the above-mentioned audit is complete, the audit of the February AFS cannot be finalised.

The Company is in constant contact with both sets of auditors and is expected to release the February AFS by no later than Friday, 30 July 2021.
