Letter to Vunani Capital Partners shareholders

IMPORTANT SHAREHOLDER INFORMATION VERIFICATION

Vunani Capital Partners Limited (“VCP”) was unbundled from Vunani Limited (“VL”) in February 2021 and listed on Equity Express Securities Exchange (“ESEE”) in June 2021.

Since the VCP shares are now listed on ESEE a stockbroking account **must** be opened by each shareholder of VCP for purposes of administering and trading VCP shares on ESEE. This will require you to undertake a FICA process in terms of applicable legislation.

Singular Systems Stockbrokers (“Singular”) is the only stockbroker that is mandated to trade shares on ESEE. This means that opening an account with Singular is required in order to access and trade VCP shares.

Please take the following action:

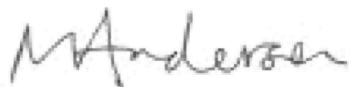

1. If your details have been verified and your account with Singular opened no further action is required.
2. If you have been contacted by Singular and not yet responded or submitted the required information, we would urge you to please respond as soon as possible.
3. If you have not been contacted by Singular we would also urge you to please contact the VCP Contact Centre on:

Telephone Number: 010 271 4320

E-mail: vcp@singular.co.za

Your assistance and cooperation in this regard is appreciated.

Yours sincerely

Mark Anderson: Chief Executive Officer
