### **Material information publication – Interim results**

In terms of paragraph 10.9(f) of the EASE Listing Requirements, companies are required to make full public disclosure of all material information immediately upon the information becoming known to management, or in the case of information previously known, upon it becoming apparent that the information is material, relating to a significant increase or decrease in earnings is expected relative to previously published financial information. Such increase is regarded as material if it is more than 10%.

Shareholders are advised that Vunani Capital Partners is in the process of finalising its interim results for the period ended 31 August 2022 and anticipates that it will report basic earnings per share of between 45.7 cents and 48.3 cents, compared to 13.3 cents per share for the previous corresponding period, which represents an expected increase in excess of 240%.

Vunani Capital Partners anticipates that it will report headline earnings per share of between 45.8 cents and 47.9 cents compared to the headline earnings per share of 10.5 cents per share for the previous corresponding period, which represents an expected increase in excess of 330%.

The financial information on which this trading update is based has not been reviewed or reported on by the company's auditors. The company's results for the six months ended 31 August 2022 will be published on EASE on or about Thursday the 20th of October 2022.

### **Results presentation**

Vunani Capital Partners will be hosting the interim results presentation by CEO Mark Anderson and CFO Pride Gwaze, followed by a question-and-answer session on Friday 21 October 2022, at 11:00 via a web/audio cast. Shareholders and investors wishing to join the Vunani Capital Partners Interim Results presentation should email [IR@Singular.co.za](mailto:IR@Singular.co.za) for the link and relevant details.
