Material information statement – Interim results H1 2024

In terms of paragraph 10.9(f) of the EASE Listing Requirements, companies are required to make full public disclosure of all material information immediately upon the information becoming known to management, or in the case of information previously known, upon it becoming apparent that the information is material, relating to a significant increase or decrease in earnings expected relative to previously published financial information. Such an increase is regarded as material if it is more than 10%.

Shareholders are advised that Vunani Capital Partners is in the process of finalising its interim results for the period ended 31 August 2023 and anticipates that it will report basic earnings per share of between a loss of 0.40 cents and earnings of 5.4 cents, compared to 47.0 cents per share for the previous corresponding period [H1 2023], which represents an expected decrease in excess of 95%.

Vunani Capital Partners anticipates that it will report headline earnings per share of between a loss of 0.40 cents and earnings of 5.4 cents compared to the headline earnings per share of 46.9 cents per share for the previous corresponding period [H1 2023], which represents an expected decrease in excess of 95%.

The financial information on which this trading update is based has not been reviewed or reported on by the company's auditors. The company's results for the six months ended 31 August 2023 will be published on EASE on or about Thursday 19 October 2023.

Results presentation

Vunani Capital Partners will be hosting the interim results presentation by CEO Mark Anderson and CFO Pride Gwaze, followed by a question-and-answer session on Wednesday 25 October 2023, at 12:30 via a web/audio cast. Shareholders and investors wishing to join the Vunani Capital Partners Interim Results presentation should email IR@Singular.co.za for the link and relevant details.
